**Re: Umar Wright v. Metro North Railroad Company
21-cv-871 (RA)(PTW)**

Dear Judge Abrams:

Please allow this correspondence to request an adjournment of the December 17, 2021 conference in this matter. This Court recently re-scheduled the conference for December 17, 2021 at 10:30. Upon obtaining this date, I checked my schedule for any conflicts with this conference date. I need to let the Court know that I am scheduled to appear before Honorable Judge Nelson Roman for a Case Management Conference on the same date and at the same time in a matter titled *Dingee v. Metro-North Commuter Railroad*, File No.: 21-cv-00221.

As such, I am forwarding this letter to request this Court to adjourn the conference to another mutually convenient date for all parties. I can make myself available on December 17 in the afternoon or December 16 or December 20.

Thank you for your courtesies in this matter. I wanted to send this request as soon as possible seeking this Court's guidance. Please be advised that both parties just recently requested an extension of the deadlines which was granted. I have not consulted with the Plaintiff's attorney, Mr. Sean Constable, since this request is solely due to my conflict.

Thank you.

Very truly yours,
